#### BONDS CARRY.

Overwhelming Victory for Good Roads in Greenville.

[Special to The Times-Dispatch.]  
EMPORIA, Va., May 22.—Greenville county will have good roads. That much was decided by the voters of this county at Thursday's election. Bonds to the amount of \$80,000 were voted upon and overwhelmingly carried; in fact, 92 per cent. of the votes polled were in favor of improving the highways in this county. With this bond issue and the construction of good roads a new era will be inaugurated in Emory and Greenville counties. Belknap District will get forty miles; Hickford District will get forty-five miles, and Zion District will get twenty miles, thereby aggregating ninety-seven miles of modern highways. This will practically cover every road of importance in this county. Work will begin about July 1, and the money resulting from the bond issue will be expended in blocks of \$10,000, rotating from one district to another, until the entire bond issue of \$80,000 has been absorbed.
